Summary: The See, Hear, Speak No Evil Organic wines are sourced from fully certified Organic vineyards and made using minimal additions. The wines are Organic, Vegan friendly and made to EU guidelines for minimal preservatives (less than 30ppm Free Sulphur. A new benchmark in affordable Organic Wines).

Winemaking: Partially hand harvested before de-stemming primarily in closed fermenters with pump overs with a portion of open fermenters. All components blended post fermentation before two thirds were matured in stainless steel and one third was matured in French oak for nine months before bottling with minimal fining, filtration and sulphur addition.

2020 Vintage: 2020 had its challenges with a dry start and only a small portion of rain and with much of the country suffering drought conditions. The warm dry spell continued in December with some extreme hot temperature days recorded. Thankfully due to one of the coolest January's on record the vines were able to re-address the balance. It was a late ripening year and yields were down but despite the challenges it will be another excellent vintage across South Australia.

Tasting Note: A delicious organic Cabernet that tastes as mother nature intended. There's a freshness and purity of fruit on the nose with vibrant black fruits, hints of chocolate and a suggestion of savoury earth. The palate is smooth and bursting with ripe fruit flavours and delivers a fair bit of concentration. Soft tannins on the finish make for a drink now style that will cellar well in the short term. Pair with some lamb ribs with a rich barbecue sauce.
