Winemaking: Partially hand harvested before de-stemming primarily in closed fermenters with pump overs with a portion of open fermenters. All components blended post fermentation before two thirds were matured in stainless steel and one third was matured in French oak for nine months before bottling with minimal fining, filtration and sulphur addition.

2019 Vintage: Vintage 2019: 2019 was challenging and hot in the South of Australia. The season started at a cracking pace with a hot and early summer that reduced yields. A dry winter was followed by a cool spring before a number of exceptionally hot days prior to vintage. Subsequently yields were down but quality remained excellent.

Tasting Note: A delicious organic Cabernet that tastes as mother nature intended. There's a freshness and purity of fruit on the nose with vibrant black fruits, hints of chocolate and a suggestion of savoury earth. The palate is smooth and bursting with ripe fruit flavours and delivers a fair bit of concentration. Soft tannins on the finish make for a drink now style that will cellar well in the short term.
