Summary: The Hero of Zero wines are hand-crafted from the best quality fruit sourced from premium vineyards across South Australia. With meticulous handling in the vineyard and winery, the pristine fruit will have less exposure to anything harmful that may normally require the addition of preservatives. Our wines are crafted to be brightly coloured, exotically fragrant, full-flavoured and critically, they sing without the addition of preservatives. Perfectly suited to many cuisines, these wines are also crafted to ensure they are suitable for Vegans.

Winemaking: Healthy and problem free fruit is selected in the vineyard and then picked in the cool of the night and then rushed to the nearby winery for a fast and focused vinification. Fermentation is cool in a closed static fermenter before a short maturation on lees and bottling.

2021 Vintage: If 2020 was all about the heat, then 2021 will be remembered as the wet season. In many parts of Australia, it was unseasonably wet in winter but not at critical times to do damage nor impact the resultant ripeness of the grapes. A cool and dry summer meant even ripening was achieved between dry and rainy spells and the ensuing fruit quality was excellent and for once yields were up making for a bumper harvest in 2021.

Tasting Note: A wine of purity and freshness, allowing the crisp Sauvignon Blanc fruit to do the talking. Classic Savvy aromas of cut grass herbaceousness with citrus and passionfruit to the fore and hints of green herbs. The palate is a burst of freshness that juxtaposes vibrant fruit flavours with clean and refreshing acidity. It finishes long and clean and would pair well with a seafood pasta.
