Winemaker: Corey Ryan
Closure: Screwcap
Alcohol: 10.8%

children of the revolution

Summary: Children of the Revolution are born of the desire for a naturally lower in alcohol wine that is vegan friendly and full of fresh, lively vitality. Children of the Revolution is a winning combination of naturally lower alcohol wine that never compromises when it comes to great taste. These are trail blazing styles lighter bodied and fresh ensuring bright fruit flavours and extreme refreshment.

Vineyards: Sourced from established vineyards of the rich soils of the border of Victoria and South Australia. The vines are mostly dry-grown and utilise expert canopy management to help to control ripening and vigour.

Winemaking: Harvested in the cool of the morning to avoid the warmer temperatures of the day. The fruit is quickly delivered to the winery for destemming and crushing prior to a regular fermentation in stainless steel tank. The wine is aerated and temp controlled for an even ferment and then spends 3 months in tank on solids prior to bottling and an early release.

2020 Vintage: 2020 had its challenges with a dry start and only a small portion of rain and with much of the country suffering drought conditions. The warm dry spell continued in December with some extreme hot temperature days recorded. Thankfully due to one of the coolest January's on record the vines were able to re-address the balance. It was a late ripening year and yields were down but despite the challenges it will be another excellent vintage across South Australia.

Tasting Note: A lower alcohol Grenache from South Australia impresses by the fact that there's no compromise on flavour even at a lower alcohol. A wine shows vibrant, jube, soft upfront fruit and a balanced palate with soft mouthfeel and a clean acid finish. Pair it with barbecued ribs.
