Summary: Tread Softly is a contemporary range of wines seeking to deliver delicious, intensely flavoured wines that are naturally medium weighted and moderate in alcohol. By using more sustainable vineyard management and wine-making techniques to ensure their production has had a minimal impact to the environment. Tread Softly is committed to reducing their carbon footprint and so commits to planting an Australian Native Tree for every dozen sold.

Vineyards: Fruit for the Tread Softly premium range was Sourced from established vineyards of the Coldstream sub region of the Yarra Valley. Winemaking: Single Vineyard Pinot noir that was hand picked then cold soaked for three days prior to a cool ferment and pressed at dryness. It was then left on its lees for five months before bottling without any sulphur.

2020 Vintage: while the rest of Australia had a horror vintage in 2020, the Yarra Valley fared much better. Overall it was an excellent vintage, despite early concerns around smoke and disease pressure. Ultimately a mild year primarily driven by tighter, smaller bunches, with naturally high acidity, great flavour and vibrant colours across the board.

Tasting note: A textbook Yarra Valley Pinot Noir with a light colour in the glass but a pretty nose that displays red fruit vibrancy. The palate is light with crunchy red fruits and a cleansing burst of acidity on the finish. Pair with duck or a mushroom risotto.
