Summary: Tread Softly is a contemporary range of wines seeking to deliver delicious, intensely flavoured wines that are naturally medium weighted and moderate in alcohol. By using more sustainable vineyard management and wine-making techniques to ensure their production has had a minimal impact to the environment. Tread Softly is committed to reducing their carbon footprint and so commits to planting an Australian Native Tree for every dozen sold

Vineyards: Sourced from established vineyards of the rich soils of the border of Victoria and South Australia. The vines are mostly dry-grown and utilise expert canopy management to help to control ripening and vigour.

Winemaking: Harvested in the cool of the morning to avoid the warmer temperatures of the day. The fruit is quickly delivered to the winery for destemming and crushing prior to a regular fermentation in stainless steel tank. The wine is aerated and temp controlled for an even ferment and then spends 3 months in tank on solids prior to bottling and an early release.

Vintage 2019: This was a challenging year and so very much makes you think of Australia. It was a hot vintage with only sporadic rains in some parts causing the berries to ripen sooner than prior years. Through great management the resultant fruit is bright and flavourful with a soft acidity. Lucky for us this would be a drink up vintage rather than hold for cellaring. Enjoy in its youth.

Tasting Note: This wine displays black cherry, strawberry, liquorice and brown spice characters that are medium to light in feel but energetic and long in flavour. Soft integrated tannins provide breadth whilst a bright acidity drives the fresh finish.
