Summary: The southern hairy-nose wombat is smaller than other wombats but is stocky, robust and the proud state emblem of South Australia. Like the might of the little wombat, Little Giant is crafted from premium regional South Australian fruit from established vineyards that deliver character and interest well above their size and weight.

Hand-crafted and made with minimal additions and preservatives, these are wines made of the vineyard. The grapes are picked at optimal ripeness, minimally handled in the winery and fruit vibrancy is not hidden by non-essential artefact. Seeking first and foremost fruit expression, drinkability and to be a great accompaniment to food. Don't let the size fool you, these are wines you'll want to drink.

Winemaking: A classic NV Tawny aged for three years in old oak. It's a youthful style, fresh and vibrant with everything that is loved about a fortified except for the heaviness. A modern style Tawny, true to the type. It has been prepared for approachability and enjoyment now, and will also last for many years to come.

Tasting Note: A wine to serve after dinner that will leave a 'Giant' impression on your palate. The Little Giant Tawny is as warm and comforting as a hug from a wombat. As with all our Little Giant range, this wine relies on freshness and flavour. This NV tawny is everything we love about this style. A heady nose of fragrant raisin fruit with complexing nuances of caramel and toffee. It finishes long with good depth of concentration and cleansing acidity.
