Summary: The wine regions of the great country of Australia are some of the most picturesque and historical. Today we can expect to see exciting wines and evocative wine styles as common fare. Hare & Tortoise represents the steady pursuit of fine, individual, regional wines of great drinkability and interest through patience, knowledge and a hands-off approach to winemaking.

Vineyards: Sourced from premium vineyards across Australia.

Winemaking: Multiple picks across varying vineyards enabled us to use only the finest of fruit available. The grapes were lightly pressed to extract the purest of juice that was then transferred to stainless steel tanks for fermentation and maturation. Bottled early for a bright, fresh and lively Prosecco.

Tasting Note: Showing lemon citrus, apple blossom and subtle spice with refreshing acidity, carrying a fine string of bubbles to finish long, soft and flavoursome. A perfect refreshing aperitif style that would pair well with canapes or just served on its own. Serve chilled with great company.
