

## Children of the Revolution Sangiovese 2021

<b>Grape Variety:</b>	<b>Sangiovese</b>
<b>Region:</b>	<b>Australia</b>
<b>Winemaker:</b>	<b>Corey Ryan</b>
<b>Closure:</b>	<b>Screwcap</b>
<b>Alcohol:</b>	<b>10.8%</b>

**Summary:** Children of the Revolution are born of the desire for a naturally lower in alcohol wine that is vegan friendly and full of fresh, lively vitality. Children of the Revolution is a winning combination of naturally lower alcohol wine that never compromises when it comes to great taste. These are trail blazing styles lighter bodied and fresh ensuring bright fruit flavours and extreme refreshment.

**Vineyards:** Sourced from established vineyards of the rich soils of the border of Victoria and South Australia. The vines are mostly dry-grown and utilise expert canopy management to help to control ripening and vigour.

**Winemaking:** Harvested in the cool of the morning to avoid the warmer temperatures of the day. The fruit is quickly delivered to the winery for destemming and crushing prior to a regular fermentation in stainless steel tank. The wine is aerated and temp controlled for an even ferment and then spends 3 months in tank on solids prior to bottling and an early release.

**2021 Vintage:** If 2020 was all about the heat, then 2021 will be remembered as the wet season. In many parts of Australia, it was unseasonably wet in winter but not at critical times to do damage nor impact the resultant ripeness of the grapes. A cool and dry summer meant even ripening was achieved between dry and rainy spells and the ensuing fruit quality was excellent and for once yields were up making for a bumper harvest in 2021.

**Tasting Note:** A soft and medium bodied example of Sangiovese displaying cherries, dark fruits and a complexing dried herb note. The palate is juicy and full of ripe berry flavours with a hint of earthy intensity. Being a lighter style of red this wine can enjoy a quick chill prior to serving. Perfect with a tomato based pasta sauce.
