Summary: Tread Softly is a contemporary range of wines seeking to deliver delicious, intensely flavoured wines that are naturally medium weighted and moderate in alcohol. By using more sustainable vineyard management and wine-making techniques to ensure their production has had a minimal impact to the environment. Tread Softly is committed to reducing their carbon footprint and so commits to planting an Australian Native Tree for every dozen sold.

Vineyards: Sourced from established vineyards of the rich soils of the border of Victoria and South Australia. The vines are mostly dry-grown and utilise expert canopy management to help to control ripening and vigour.

Winemaking: Lightly pressed with the free juice taken for the ferment. A clean Champagne yeast is used and then the finished juice is fermented dry and carbonated to make style of wine that is for immediate enjoyment.

Tasting Note: A softly effervescent new member of the Tread Softly range. A light fruit driven style, lively with citrus and apple aromas. The palate is soft and rounded with a crisp finish and balanced acidity. Pair with your favourite sushi or sashimi.
