**Summary:** Funky Monkey is a contemporary range of wines developed to be richer in antioxidants, minus the alcohol. Funky the monkey on the label says: it's the hottest thing to choose a bubbly with no booze. This is super cool juice with the alcohol removed so you can stay longer in the groove. Our winemakers have created a way that you can have a big bubbly prosecco without the big sore head the next day. Our wine has no alcohol, no animal products and is grown with no pesticides. It's also packed with naturally occurring antioxidants. Zero alcohol, zero monkey business.

Funky Monkey wines have been hand-crafted using only high-quality grapes from premium, dry-grown South Australian vineyards. This ensures the resultant wines remain vibrant and full-flavoured once the process of removing the alcohol has been completed.

**Vineyards:** Fruit sourced from vineyards in South Australia.

**Tasting Note:** A vibrant mix of lemon sherbert and just-cut apple on the nose. A generously fruity and effervescent palate that is full of flavour. A wine that screams celebration with a core of citrus fruit and a cleansing acidity on the finish. Chill well and serve for your next brunch feast.
