Newly released, the Elephant in the Room Flower Power range is a pair of biodynamic, vegan friendly and organic wines from Mount Benson, SA. including a Pinot Gris and a Shiraz.

Vineyards: Sourced from Biodynamically farmed organic vineyards in the Wrattenbully region, situated in the Limestone Coast area of South Australia.

Winemaking: Fruit was picked and sorted, then pressed off into open fermenters. Plunged daily with some time on skins to lend colour before spending time in stainless steel prior to bottling. Bottled without preservatives to ensure fresh, drink now style

Vintage 2021: If 2020 was all about the heat, then 2021 will be remembered as the wet season. In many parts of Australia, it was unseasonably wet in winter but not at critical times to do damage nor impact the resultant ripeness of the grapes. A cool and dry summer meant even ripening was achieved between dry and rainy spells and the ensuing fruit quality was excellent and for once yields were up making for a bumper harvest in 2021.

Tasting Note: In the glass it has a bronzed hue showing its Pinot Gris origins and is a really great colour in the glass. Lifted aromas of pear and apple with floral hints and a suggestion of grilled nuts. A really fresh, fruit-driven palate that has good texture and weight with a refreshing acid finish. Perfect for drinking on its own or with a dish of salt and pepper squid.
