

Sobriety Society Chardonnay NV

Grape Variety:	Chardonnay
Region:	Australia
Closure:	Screwcap
Alcohol:	Zero Alcohol
Pack Size:	6 Bottle Pack

Summary: Sobriety Society is a zero-alcohol wine range made with organically grown grapes ensuring a better tasting alternative to other alcohol removed wines. Thanks to the gentle removal of alcohol the wines remain aromatic and flavoursome.

Vineyards: Made with organically grown grapes sourced from around Australia.

Winemaking: Sobriety Society uses premium quality organically grown grapes to make pure and expressive alcohol removed wines. An ultra-membrane filter is used to aid the removal of alcohol ensuring the resultant wines remain vibrant and full-flavoured.

Tasting Note: A zero-alcohol wine that still maintains flavour and palate weight. A varietal Chardonnay with citrus, apple and hints of melon on the nose. The palate reflects the nose with a citrus core followed by good weight, texture and refreshing finish. Serve chilled with a chicken salad.
