Summary: Sobriety Society is a zero-alcohol wine range made with organically grown grapes ensuring a better tasting alternative to other alcohol removed wines. Thanks to the gentle removal of alcohol the wines remain aromatic and flavoursome.

Vineyards: Made with organically grown grapes sourced from around Australia.

Winemaking: Sobriety Society uses premium quality organically grown grapes to make pure and expressive alcohol removed wines. An ultra-membrane filter is used to aid the removal of alcohol meaning the resultant wines remain vibrant and full-flavoured.

Tasting Note: A delicious red blend with vibrant berry fruit complemented by soft tannins, a hint of sweetness and gentle acidity making for a compelling rendition of alcohol removed wine. Pair with your favourite barbecued meats.
