Summary: The new premium range for Plus & Minus are the best tasting zero alcohol wines available. Thanks to ground-breaking technology the alcohol is removed via an ultra-membrane filter, ensuring a gentler process that helps retain the wine's vibrancy and flavours. Plus & Minus is a contemporary range of wines developed to be richer in antioxidants, minus the alcohol. These zero alcohol wines have been hand-made without the use of any artificial sweeteners but do see the addition of grape skin extract (GSE) during the winemaking process.

This GSE is rich in naturally occurring antioxidants delivering more of those benefits that can already be found in red wine but without the alcohol. The Plus & Minus range of wines have been uniquely hand-crafted using only high-quality grapes from premium, dry-grown vineyards. This ensures the resultant wines remain vibrant and full-flavoured once the process of removing the alcohol has been completed.

Vineyards: Sourced from premium vineyards in the Adelaide Hills.

Vintage 2021: 2021 was an outstanding vintage for the Adelaide Hills and it came as a welcome relief after the appalling conditions of the previous year. A cool, wet spring helped with soil moisture followed by a warm November ensuring no damaging weather conditions. Cool and calm weather followed that meant even ripening and good acid retention. A mild end to summer and a cool Autumn saw fruit hanging with no disease or extreme heat posing a problem. Yields and quality were up across the board.

Tasting Note: Pale yellow in appearance and bursting with vital fruit aromas of stone fruit, melon and crisp apple with a hint of nutty integrated oak. The palate is nicely creamy and generous with bright fruit flavours and decent concentration with a finish that combines citrus fruit with clean acidity.
