Summary:

The new premium range for Plus & Minus are the best tasting zero alcohol wines available. Thanks to groundbreaking technology the alcohol is removed via a ultra-membrane filter, ensuring a gentler process that helps retain the wine's vibrancy and flavours.

Plus & Minus is a contemporary range of wines developed to be richer in antioxidants, minus the alcohol. These zero alcohol wines have been hand-made without the use of any artificial sweeteners but do see the addition of grape skin extract (GSE) during the winemaking process.

This GSE is rich in naturally occurring antioxidants delivering more of those benefits that can already be found in red wine but without the alcohol. The Plus & Minus range of wines have been uniquely hand-crafted using only high-quality grapes from premium, dry-grown vineyards. This ensures the resultant wines remain vibrant and full-flavoured once the process of removing the alcohol has been completed.

Vineyards: Sourced from premium vineyards in the Barossa Valley.

Vintage 2021: One of the best vintages in the last decade for the Barossa in 2021 with vignerons ecstatic with the quality of the fruit. Good rainfall over winter ensured the soil retained moisture over the early part of the growing season. A warm - but not ridiculously hot - Summer followed with dry conditions ensuring an even ripening all the way up to harvest. A vintage that will be celebrated in the region.

Tasting Note: Old vine Barossa Shiraz aged in barrels ensures the base materials for this zero-alcohol wine are as good as it gets. Captivating black fruit aromas on the nose with dark chocolate and a toasty oak influence. The palate is full of sweet, primary fruit flavours with considerable body and integrated tannins. It finishes dry and long and would match perfectly with chargrilled meats.
