

Tread Softly Everything Except Pinot Noir 2022

Grape variety: Pinot Noir
Region: Australia
Winemaker: Corey Ryan
Closure: Screwcap
Alcohol: Zero
Pack Size: 6-pack

Summary: Tread Softly is a contemporary range of wines seeking to deliver delicious, intensely flavoured wines that are naturally medium weighted and moderate in alcohol. By using more sustainable vineyard management and wine-making techniques to ensure their production has had a minimal impact to the environment.

Made via our unique ultra membrane method, this range of zero alcohol wines are hand-crafted using only high-quality grapes from South Australian vineyards ensuring the wines remain vibrant and full-flavoured once the process of removing the alcohol has been completed.

Tread Softly is committed to reducing their carbon footprint and so commits to planting an Australian Native Tree for every 6 bottles sold.

Vineyards: Sourced from established vineyards of the rich soils of the border of Victoria and South Australia. The vines are mostly dry-grown and utilise expert canopy management to help to control ripening and vigour.

Vintage 2022: 2022 will probably be remembered as wet in most parts of Australia. However, in inland vineyards the rain did not hinder, rather it helped vines stay healthy and created favourable conditions for a modest and favourable crop across much of the country. Overall, quality was up but yields were down.

Tasting Note: A delicate and easy drinking Pinot Noir full of fruit vibrancy. lots of bright, berry fruit and a hint of savoury earthiness. It's smooth and delicious and pairs well with anything barbecued.
