Summary: Tread Softly is a contemporary range of wines seeking to deliver delicious, intensely flavoured wines that are naturally medium weighted and moderate in alcohol. By using more sustainable vineyard management and wine-making techniques to ensure their production has had a minimal impact to the environment. Tread Softly is committed to reducing their carbon footprint and so commits to planting an Australian Native Tree for every 6-bottles sold.

Vineyards: Sourced from established vineyards of the rich soils of the border of Victoria and South Australia. The vines are mostly dry-grown and utilise expert canopy management to help to control ripening and vigour.

Winemaking: Harvested in the cool of the morning to avoid the warmer temperatures of the day. The fruit is quickly delivered to the winery for destemming and crushing prior to a regular fermentation in stainless steel tank. The wine is aerated and temp controlled for an even ferment and then spends 3 months settling in tank prior to bottling and an early release.

2022 Vintage: 2022 will probably be remembered as wet in most parts of Australia. However, in inland vineyards the rain did not hinder, rather it helped vines stay healthy and created favourable conditions for a modest and favourable crop across much of the country. Overall quality was up but yields were down.

Tasting Note: Light but aromatic cues of lemon, apple and pear. A fresh and vibrant wine with flavours that flow effortlessly to fill the palate and finish long, pure and refreshing with cleansing acidity. Perfect with pork ramen noodles.
