**Summary:** Tread Softly is a contemporary range of wines seeking to deliver delicious, intensely flavoured wines that are naturally medium weighted and moderate in alcohol. By using more sustainable vineyard management and wine-making techniques to ensure their production has had a minimal impact to the environment. Tread Softly is committed to reducing their carbon footprint and so commits to planting an Australian Native Tree for every dozen sold.

**Vineyards:** Sourced from established vineyards of the rich soils of the border of Victoria and South Australia. The vines are mostly dry-grown and utilise expert canopy management to help to control ripening and vigour.

**Winemaking:** Harvested in the cool of the morning to avoid the warmer temperatures of the day. The fruit is quickly delivered to the winery for chilling and crushing prior to a regular fermentation in stainless steel tank. Natural bubbles are achieved by secondary fermentation in charmat tanks (high pressured stainless steel).

**Vintage 2022:** 2022 will probably be remembered as wet in most parts of Australia. However, in inland vineyards the rain did not hinder, rather it helped vines stay healthy and created favourable conditions for a modest and favourable crop across much of the country. Overall, quality was up but yields were down.

**Tasting Note:** Typically vibrant nose that shows tropical notes fused with musk and orange with a distinctive floral lift. On the palate there's a seductive effervescence delivering a burst of sweet citrus fruit. It offers pure refreshment and soft cleansing acidity on the finish. Try with a Tarte Tatin or any fruit flan.
