**Winemaking:** Sourced from a vineyard at 350m in altitude. Hand picked into small bins and chilled before transportation to the winery, A very fast and precise vinification with a cool fermentation in stainless steel before extended maturation on lees to build texture and complexity. A small amount of Viognier was added for aromatic complexity.

**2018 Vintage:** the winter of 2017 was very mild and without any rain at all until the month of June with soils replenished for the pending growing season. The mild conditions continued through Spring and Summer with very little rain but also without significant heat periods. The ripening was even throughout most of the South Australia delivering very high quality with bright fruit flavours and good natural acidity.

**Tasting Note:** Pale in colour with striking green highlights. The nose is fresh and delicate with restrained floral and gooseberry aromas given complexity by river-stone and white apple notes. The palate displays lime, citrus and passionfruit flavours carried by a fine mineral acid backbone. A more restrained and elegant version of Sauvignon blanc.
