

2018 Farm Hand Semillon Sauvignon Blanc

Grape Variety:	65% Semillon, 35% Sauvignon Blanc
Region:	Monash Valley, South Australia
Winemaker:	Con-Greg Grigoriou
Closure:	Screwcap
Alcohol:	13%

Summary: The Farm Hand wines are grown by the Grigoriou family, fourth generation wine growers, from almost one hundred acres of Organic Vineyards in the Monash Valley of South Australia.

Vineyards: The moderate, dry climate with very low rainfall during autumn and fertile soils is perfect suited to Organic Viticulture. The well established vines (up to thirty years of age) are planted widely apart for airflow to minimise disease pressure and minimal drip irrigation ensures low yielding fruit with rich flavours and varietal expressiveness

Winemaking: Fruit is harvested during the early morning hours to retain freshness and partially whole bunch pressed. A fast and precise vinification in stainless steel with minimal oxygen contact maximises fruit expression and aromatics. A cool fermentation (15 to 18 degrees) is undertaken in stainless steel tanks before a short rest on lees prior to bottling.

2018 Vintage: the winter of 2017 was very mild and without any rain at all until the month of June with soils replenished for the pending growing season. The mild conditions continued through Spring and Summer with very little rain but also without significant heat periods. The ripening was even throughout most of the South Australia delivering very high quality with bright fruit flavours and good natural acidity.

Tasting Note: Very pale in colour and with lemon citrus, cut grass and subtle spice flavours leaping from the glass. This is a fresh, racy and very food friendly wine driven long by bracing acidity that is perfect for warm alfresco dining or simply over good conversation.
