**Summary:** Tread Softly is a contemporary range of wines seeking to deliver delicious, freshly flavoured wines that are naturally medium weighted and moderate in alcohol. By using more sustainable vineyard management and wine-making techniques to ensure their production has had a minimal impact to the environment. Tread Softly is committed to reducing their carbon footprint and so commits to planting an Australian Native Tree for every dozen sold.

**Vineyards:** Sourced from established vineyards of the rich soils of the border of Victoria and South Australia. The vines are mostly dry-grown and utilise expert canopy management to help to control ripening and vigour.

**Winemaking:** Harvested in the cool of the morning to avoid the warmer temperatures of the day. The fruit is quickly delivered to the winery for destemming and crushing prior to a regular fermentation in stainless steel tank. The wine is aerated and temp controlled for an even ferment and then spends 3 months in tank on solids prior to bottling and an early release.

**2019 Vintage:** this was a challenging year and so very much makes you think of Australia. It was a warmer vintage with only sporadic rains in some parts causing the berries to ripen sooner than prior years. Through great management the resultant fruit is bright and flavourful with a soft acidity. Lucky for us this would be a drink now vintage and this wine will be best enjoyed in its youth.

**Tasting Note:** lifted aromas of soft red berry fruit with cream and subtle spices. This is a fresh fruited and driven wine full of forest fruits, lemon citrus and florals with spice. Fresh and racy with subtle texture built in, this will be perfect whilst alfresco dining.
